But is it a harmless hobby, or do treasure hunters find themselves locked in a battle with other searchers? 2312"Hells Angels"June 21, 2013 (2013-06-21) No club in America is more secretive than the Hells Angels. Members are forbidden to publicly discuss their biker brotherhood and others who have "insider" information are too afraid to talk... until now. Season 3 (2014) No.overallNo. inseasonTitleOriginal air date241"Scientology"March 3, 2014 (2014-03-03) It is one of the most secret organizations in America. A religion--based on the cosmic revelations of an inspired genius--that boasts more than 100,000 faithful followers throughout the world. We'll reveal the hidden origins, strict doctrine, secret language and celebrity allure of the wealthy and influential institution. Former Scientologists disclose the reasons they were drawn to the church--and why they left. Jenna Miscavige Hill, niece of Scientology's current leader, David Miscavige, describes her difficult experiences inside the organization. Former church executive, Mark Rathbun, demonstrates Scientology's most revered spiritual technology--the "E-Meter." And watchdog Tony Ortega explains the appeal of Scientology that draws in new members. Could the Church of Scientology really be what its critics say it is? Is it a cult--masquerading as a religion? A business that will stop at nothing to control its members--and their bank accounts? 252"Big Brother"April 10, 2014 (2014-04) This episode uncovers the secret surveillance methods the government and big business use to watch, monitor and record our every move. Government whistleblowers, Thomas Drake and Jesselyn Radack, reveal how the NSA decided to aggressively monitor Americans' correspondence after 9/11. Documentarian Cullen Hoback explains how the government has partnered with Silicon Valley high-tech companies like Facebook and Yahoo to gather data on every American citizen. And former computer hacker Sammy Kamkar explains how someone could watch you from inside your own home. Buzzer drones overhead. Emails monitored and stored. Cell phone records tracked and analyzed. In today's digital age, is the concept of privacy now extinct? There are those who believe Big Brother is already here--and that the secret monitoring of American citizens has only just begun. 263"American Terrorists"April 15, 2014 (2014-04-05) We usually think of terrorists as people from "other" countries. But domestic terrorism, by foreign nationals on visas and by U.S. citizens alike, is also a huge problem. 274"The Gold Conspiracy"April 19, 2014 (2014-04-19) Gold. It is one of the most precious metals in the world. A glittering commodity so rare that people will go to great lengths to obtain it. But who sets the price? And what are the secret methods to control its value?Uncover the clandestine world surrounding the highly prized precious metal. How much gold does the United States really have--and where is it locked away? Is the American government overstating the amount of gold in its reserves to create the mystique of financial superiority? Former U.S. Secretary of Labor Robert Reich discusses the gold standard and the possible manipulation of the commodities markets. Chairman of Euro Pacific Precious Metals Peter Schiff describes how gold could replace credit cards. And author Matthew Hart details how the U.S. is storing gold that belongs to other countries--but may now be missing from the Federal Reserve's vaults. 285"America's Secret Armies"April 26, 2014 (2014-04-26) They operate in the shadows... Men trained to kill... without leaving a trace. But who are these secret forces? What are their covert methods? And, can they be trusted to protect the interests of the American people? Delve into the clandestine operations of the United States most expertly trained secret weapons. But what exactly are these surreptitious services designed to do--and whom do these stealth-like soldiers ultimately report to? Are the strategies of these covert armies effective in keeping the United States one step ahead of its power hungry enemies? National Security Attorney Mark Zaid reveals details about the prestigious Delta Force unit that have remained a well-kept secret--until now. Former Attorney General John Ashcroft discusses the concept of asymmetrical warfare and how our government employs it today. And author Peter Singer describes the underground war being waged over the internet. 296"Secret Prisons"May 3, 2014 (2014-05-03) Go inside the maximum-security world of America's "secret prisons" and unveil their hidden agendas and covert operations. With about 1 in every 107 Americans serving time, why are there more people incarcerated in the United States than any where else in the world? Former inmate, Andy Stephanian, reveals details of his lock-up at the Communication Management Unit, a prison that holds some of the country's greatest security threats. Director of the ACLU National Prison Project, David Fathi, describes the "Kids for Cash" scandal and the under-the-radar Debtors' Prisons. And Former Warden, Daniel Vasquez, explains the big-business surrounding private prisons and FEMA Camps. While some may fear the thought of dangerous criminals walking the streets, there may be an even more terrifying threat--that virtually anyone can end up behind bars. 307"The Billionaire Agenda"May 10, 2014 (2014-05-10) This episode reveals the underground world of America's wealthiest citizens and the depths at which their power and influence take root. Do billionaires think they know better than the majority? Are the American masses just objects to control? Forbes Editor Luisa Kroll talks about the growing wealth of the super-rich and the exclusive billionaire communities that are forming around them. Former United States Secretary of Labor Robert Reich divulges how billionaires' "dark money" influences American politics in ways that are off-limits to public scrutiny. And Author Mark Dice discusses the Bilderberg Group, the world's most secretive society of billionaires and the extreme measures they take to ensure that what happens behind closed doors stays behind closed doors. 318"Secret Underground"May 17, 2014 (2014-05-17) Americans may be aware of what's above ground, but do they know what's concealed beneath? And could subterranean facilities on U.S. soil house secrets so dangerous, our government would stop at nothing to keep them hidden? We examine the tunnels, cities, and fortresses covertly constructed beneath the feet of the American public. 329"The Secret Service"May 24, 2014 (2014-05-24) They are an elite force of brave men and women who put their lives on the line. Their mission: to guard the most powerful person in the world. But just who are these American heroes? And what secrets are they protecting? This episode goes inside one of the most top-secret law enforcement agencies in the United States. 3310"America's Doomsday Plan"May 31, 2014 (2014-05-31) An atomic attack... cyber warfare... a deadly airborne virus... the list of doomsday scenarios facing the United States has shaken the American psyche. But what is the government doing to protect the nation from ultimate disaster? This episode takes an in-depth look at the impending threats facing our world today. With the Doomsday Clock set to 5 minutes before midnight, is the end of the world looming just around the corner? And could our lack of preparation force us to make the ultimate choice: who will live and who will die? Survivalist Tim Ralston talks about the threat of an Electromagnetic Pulse (EMP) and the devastating impact it could have on the entire world. Ronald Kessler describes the cyber command center and current state of cyber warfare. Bill Kristol discusses the continuity of government and secret bunkers that would be used in the event of a catastrophic attack. Season 4 (2021) No.overallNo. inseasonTitleOriginal air date341"The Secret Space Program"May 11, 2021 (2021-05-11) On December 20, 2019, the newest branch of the armed services was established--Space Force. Does the U.S. has a much greater presence in space than the public is aware? Could we even have occupied bases on the Moon and Mars? 352"Protecting the President"May 18, 2021 (2021-05-18) The United States has experienced four presidential assassinations, and two more assassination attempts nearly succeeded. But how many more occur that never reach the public? And how far do we go to protect the commander in chief? 363"The Freemason Factor"May 25, 2021 (2021-05-25) Freemasons. What is it that they don't want the public to know? Is there a secret masonic plan just waiting to be triggered--and what would that plan be? 374"FBI vs. MLK"June 8, 2021 (2021-06-08) In 1962, Martin Luther King Jr. criticized Hoover's FBI for refusing to prosecute white supremacists who had burned down black churches in Albany, Georgia. Hoover took King's criticisms in the press as a personal insult. It was an offense that Hoover would never forget and led to him calling King "the most notorious liar in the country." J. Edgar Hoover was not a man to let things go. He ordered "his bureau" to investigate King and soon discovered that the civil rights activist was associated with something he--at the height of the Cold War--considered far more dangerous to the security of the nation than peaceful protests: Communism. 385"The Hunt for Hitler's Relics"June 15, 2021 (2021-06-15) With a notorious interest in the occult, Adolf Hitler forms a Nazi organization known as the Ahnenerbe to acquire holy relics that could help him secure his proposed Thousand-Year Reich, but the Ahnenerbe's success remains a mystery. 396"Inside Area 51"June 22, 2021 (2021-06-22) After decades of secrecy, denials, and cover-ups the CIA declassified documents that acknowledged the existence of a top-secret military research facility known as Area 51 407"Doomsday Scenarios"June 29, 2021 (2021-06-29) From the "designated survivor" to the Mount Weather Emergency Operations Centre and FEMA catastrophe protocols, what plans does the United States government have in place to deal with a major attack or catastrophe event? 418"Mind Control"July 6, 2021 (2021-07-06) While it may sound like science fiction, numerous government-run mind control programs have been documented, with names like MK Ultra, Project Artichoke, and Project Monarch. 429"Alien Disclosure"July 13, 2021 (2021-07-13) Are governments around the world preparing mankind for the most startling event in human history--the official disclosure of extraterrestrial contact? 4310"Deadly Pandemics"July 20, 2021 (2021-07-20) COVID-19 effectively shut down the entire world--and in the process, elevated pandemics to the most important issue across the globe.
